

Rowner Junior School Kit List 2016/17

To help ensure you and your child are prepared for September we thought a kit list would be useful. This year, at times, we have struggled to ensure that all children are participating in PE due to a lack of kit or being unable to find their PE kit. From September we are going to store PE kits in classrooms and we are going to raise the profile of PE by insisting on a PE uniform, we will provide spare kit for anyone who does not have appropriate PE clothes. To help keep the costs down we have checked and all these items are all readily available from ASDA, Matalan and Ebay. We have limited uniform available from the school office or from 1st August our uniform is available from Skoolkit <http://www.skoolkit.co.uk/>
